

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., June 30, 1886.

Sir:

I am in receipt of a letter from the Treasurer of the United States stating that there is an urgent demand for dimes, and requesting that the silver on hand available for that coinage be converted into dimes as early as practicable, as the demand is immediate and largely in excess of the supply in the Treasury.

You will, therefore, please make arrangements to coin the amount of silver on hand available for this purpose immediately after resumption of operations.

Hon. Danl. M. Fox,
Superintendent Mint,
Philadelphia

Very respectfully,
R. C. Preston
Acting Director of the Mint
